7. ITEM NO.	8. DESCRIPTION OF ITEM (With Inclusive Dates or Retention Periods)	9. SAMPLE OR JOB NO.	10. ACTION TAKEN
	<p><u>Background:</u></p> <p>1. This request is submitted in order to consolidate three separate categories of issue records as maintained in unit supply room of Army organizations (companies, batteries, separate detachments -- the lowest organized levels of the Army) into a single, by-name folder for each individual soldier. This consolidation will decrease the administrative workload placed on unit supply personnel and will result in greater efficiency.</p> <p>2. NARS Job # NCl-AU-80-50 approved the disposition of personal clothing records shown in Item "b" above (except for Reserve Component units), and for the organizational clothing/equipment records shown in Item "c" above. Since the approval of that job, we have learned that the disposition for personal clothing records must be further broken out. While the Active Army soldier receives a monetary allowance to maintain personal clothing after six months' service, the Reserve Component soldier is under an "issue-in-kind" system; if an item of personal clothing wears out or is destroyed, another is issued at Government expense. Thus, the variance in disposition of the records.</p> <p>3. We find no NARS approval for Item "a" above, consisting of <u>hand receipt files</u>. While we are including these records in this consolidation for easy use by supply room personnel at the lower echelons of the Army, the same type of record is maintained in organizations and offices throughout the Army, and is described in our file number 1416-16, AR 340-18-14, as follows (unscheduled):</p> <p>"HAND RECEIPT FILES. Records reflecting acceptance of responsibility for items of property listed thereon. Included are individual receipts and listings. <u>Disposition:</u> Destroy on turn-in or other complete accounting for the property, or when superseded by a new receipt or listing."</p> <p>An approval for this record series, as described in Item "a" above, will be applied not only to the consolidated file number 1416-38 in AR 340-2, but also to file number 1416-16 in AR 340-18-14.</p>
