SECTION III - APPRAISER'S COMMENTS

This job provides for the permanent retention of agreements and related records accumulated in connection with understandings reached between the US and other nations concerning the standardization of specific items of materiel as well as tactics, doctrine, and other non-materiel matters. It calls for the retention of records at offices responsible for the agreement in question and the disposal of records accumulated by other offices since the records held by "other offices" merely duplicate permanent records or deal with matters adequately documented in permanent files.
