## SECTION III - APPRAISER'S COMMENTS

This job covers records accumulated in connection with punishments imposed by commanders on Army personnel for relatively minor offenses, which are already scheduled for disposal. This job refers files custodians to the governing Army Regulation, which currently provides fairly complicated disposition instructions for the different copies of the forms and other documents accumulated under FN 404-08. Army believes this approach is preferable to spelling out these complex instructions in its records disposition manual. Given the nature of these records and the fact that they already are disposable, we should approve this job as submitted. NNM concurrence is not needed.
