1	<p><u>BACKGROUND:</u> File Number 604-03 - Unit award case files. This is an unscheduled file number that the Army desires to change the disposition of 604-03 to 604-03 and make PERMANENT. Permanent.</p> <p><u>JUSTIFICATION:</u> It is necessary that these files be retained at least 56 years so that they are available for review during the normal lifetime of the members of the unit. Each year the Army receives numerous inquiries from Army veterans, members of Congress, and other influential persons asking that we research unit award entitlements dating back to World War II. It has become the Army's responsibility to prove that a decision made 40 or more years ago was accurate and correct. If the Unit Award Case Files were not available, it would put the Army in the awkward position of trying to defend these decisions without benefit of background material. We feel these records do not possess sufficient archival value to warrant permanent preservation and accession into National Archives, they are, however, of longterm value to the Army.</p>		1 item
