	<p><u>FILE NUMBER 1504-08 - REAL ESTATE MANAGEMENT FILES, AR 340-18</u></p> <p><u>DISPOSITION - CONTINUED</u></p> <p>b. OCONUS: (THIS PARAGRAPH HAS BEEN ADDED)</p> <p>Destroy after final action or when no longer needed for current operations, whichever is later. Retain in CFA.</p> <p>-----</p> <p><u>JUSTIFICATION::</u> Due to the unique nature of overseas (OCONUS) real estate operations, it is essential that these files be maintained a minimum of 5 years subsequent to final action. As an example, German Federal agencies retain documents relating to property release, lease termination and claim settlements 5 years subsequent to final action. It is therefore essential that the US Army duplicate this retention period so that pertinent US records are readily available. These records will be accessible as a basis for addressing any action initiated by host nation authorities during the peiord which could result in possible pecuniary liability for the US government.</p>
