Agencies are reminded that NARA reserves the right to review agency email practices and records. Pursuant to 36 CFR 1239.20, NARA may undertake an inspection involving high risk to significant records. Problems may be identified through a risk assessment or through other means, such as reports in the media, Congressional inquiries, allegations of unauthorized destruction, reports issued by the GAO or an agency's Inspector General, or observations by NARA staff members.

## VERIFICATION FOR IMPLEMENTING GRS 6.1: EMAIL MANAGED UNDER A CAPSTONE APPROACH

### SECTION A: Agency and Scope Information

This section captures general information about the agency and the scope of Capstone implementation.  This includes: 1) name of the agency to which this form applies; 2) applicable record group number; 3) selection of which GRS 6.1 items the agency is proposing to use; and 4) information on implementation scope, such as whether agency-wide or limited to a specific component/office, as well as information on legacy email.

NOTE: One form is required for each unique implementation plan (for example, if implementation is limited to two program offices, but each program office differs in their implementation, one form for each is required) and/or per record group (RG) included (for example, a department implementing Capstone on behalf of their components which have separate record group numbers would need to submit one form per component/record group). This ensures that all positions are appropriately identified and documented. As a general rule, each record group number will require a separate form.

**SECTION B: List of Capstone Accounts (GRS 6.1, Item 010)**

This section captures a listing of all positions or roles that fit into the definitions provided in item 010 of GRS 6.1. This section is broken down to correspond to the ten categories provided under item 010.

The number of accounts is an estimate of the number of accounts affiliated with an entry. For example, the head of the agency may be one Executive Director who utilizes two (2) different accounts to conduct business. In this case the entry would be "Executive Director" and the number of accounts would be "2."

Some agencies may not have any positions for certain categories. Please explain why under each applicable category. (For example, "We do not have any regional administrators" or "These positions are included under another submission" or "all the positions in this category are already covered in other categories.") Please refer to GRS 6.1, the corresponding FAQ #6, and the definitions provided within each category below for additional information on which positions must be included in a Capstone approach.

This section is required even in instances where only the temporary items (011 and/or 012) are being used, in which case it acts as an exception list.

NOTE: the list should be of positions or roles (for example, "Secretary"), not specific individual names or email addresses (for example, "John Smith" or "John.Smith@agency.gov"). Agencies may summarize or condense specific levels of management, rather than repeat positions. For example, an agency may input one entry for "All Under-Secretaries" with a position total that represents the number of said positions, rather than listing out each specific Under-Secretary.

**Category 1) The head of the agency, such as Secretary, Commissioner, Administrator, Chairman or equivalent.** The very top executive of the agency. For cabinet level agencies, this is typically a Secretary. For independent agencies, and components within cabinet level agencies, this may be a Commissioner, Administrator, Director, or a specialized title (such as "Archivist of the United States"). For other agencies, including Commissions and Boards, this may be a Chairman, Executive Director, a group of Commissioners, Council Members, Board Members, or the equivalent. Most agencies will have one position for this category (although the one position may have multiple email accounts); some agencies, such as Commissions and Boards, may have multiple positions in the category. **\*If no positions are identified, please briefly explain why (for example, "Not applicable; no positions in this category exist.")**

| POSITION TITLE / ROLE | # of Accounts |
|---|---|
| Add Row / Remove Last Row  Chief of Naval Operations (CNO) | 2 |
| *(total number of accounts for this category; this number will auto-populate)* | 2 |

**Category 2) Principal assistants to the head of the agency (second tier of management), such as Under Secretaries, Assistant Secretaries, Assistant Commissioners, and/or their equivalents; this includes officers of the Armed Forces serving in comparable position(s).** Generally the second-tier of management within an agency, this may include Under Secretaries, Assistant Secretaries, Assistant Commissioners, Vice Chairmen, etc. Some agencies may use other terminology, such as "Associate." The number of positions at this level will vary greatly agency to agency. Some may only have one, such as an Assistant Commissioner, while others may have multiple, such as numerous Assistant Secretaries each with oversight of a specific program, bureau, or line of business within the agency. **\*If no positions are identified, please briefly explain why (for example, "Not applicable; no positions in this category exist.")**

| POSITION TITLE / ROLE | # of Accounts |
|---|---|
| Add Row / Remove Last Row  Vice Chief of Naval Operations (VCNO) | 2 |
| *(total number of accounts for this category; this number will auto-populate)* | 2 |

**Category 3) Deputies of all positions in categories 1 and 2, and/or their equivalent(s).** Most of the first- and second-tier executives covered in the first two categories have corresponding deputy position(s) that assist in the daily operations of the agency. This includes Deputy Secretaries, Deputy Commissioners, Deputy Assistant Commissioners, etc.  The number of deputy positions will also vary greatly from agency to agency. **\*If no positions are identified, please briefly explain why (for example, "Not applicable, no positions in this category exist.")**

| | | POSITION TITLE / ROLE | # of Accounts |
|---|---|---|---|
| Add Row | Remove Last Row | Deputy CNO for Manpower, Personnel, Training & Education/Chief of Naval Personnel (N1) | 2 |

**Category 4) Staff assistants to all positions in categories 1 and 2, such as special assistants, confidential assistants, military assistants, and/or aides.** For those senior officials in categories 1 and 2, important work is often carried out by special assistants, confidential assistants, military assistants, aides, executive assistants, etc.   They may send email on behalf of senior officials and/or their email account contains email closely related to the responsibilities and actions of the senior officials they support.  For example, a "special assistant" to the Secretary of Defense, or a "Counselor" to Secretary of Health and Human Services would fall into this category. **\*If no positions are identified, please briefly explain why (for example, "Not applicable, no positions in this category exist.")**

| | (total number of accounts for this category; this number will auto-populate) | | 6 |

**Category 5) Principal management positions, such as Chief Operating Officer, Chief Information Officer, and Chief Financial Officer, and/or their equivalent(s).** These positions tend to be those executives who have operational and management responsibilities within an agency, including Chief Operating Officer, Chief Information Officer, Chief Knowledge Officer, Chief Technology Officer, and Chief Financial Officer.  These positions are often required by statute or Executive Order, such as, for example, the Chief Financial Officer Act and the Chief Technology Officer Act.  For some agencies, these positions may already be covered by other categories. **\*If no positions are identified, please briefly explain why (for example, "Not applicable; no positions in this category exist.")**

**Category 6) Directors of significant program offices, and/or their equivalent(s).** Those Directors (or equivalents, such as Executive Directors, Managers, Directorates, or Chiefs) that oversee and manage major program offices, bureaus, or lines of business that support the agency mission.  For example, many agencies will have a Director that oversees Congressional and Legislative affairs, or a Director that oversees one specific mission-related program office. For some agencies, these positions may already be covered by other categories. **\*If no positions are identified, please briefly explain why (for example, "Not applicable; no positions in this category exist.")**

**Category 7) Principal regional officials, such as Regional Administrators, and/or their equivalent(s).** Those agencies with a regional structure must include the accounts of principal regional officials.  For most agencies with a regional presence this will be limited to Regional Administrators, or those officials who are responsible for the management and operations of specific regional areas (e.g., an agency that has 10 regions to carry out mission-critical activities would include those 10 Regional Administrators).  It does not pertain to the heads of individual offices within regions, such as, but not limited to, customer-service centers, processing centers, or administrative offices that conduct routine activities (e.g., passport offices, or Social Security claims processing offices). **\*If no positions are identified, please briefly explain why (for example, "Not applicable; no positions in this category exist.")**

**Category 8) Roles or positions that routinely and directly advise the above positions, including special advisers, General Counsels, Chiefs of Staff, Inspectors General, etc.** Many management positions routinely provide advice and oversight to the agency in the course of daily business, and are involved in mission related policy formulation, implementation, and/or interpretation.  This may include general program oversight, legal protection and oversight, and daily operations and management. For most agencies this will include General Counsels, Chiefs of Staff, Inspectors General and special advisers (such as "Policy Advisors") within the top tiers of the agency.  This does not include those that advise on purely administrative issues. For example, a Chief of Staff within a lower tier of the agency would not be included in this category. **\*If no positions are identified, please briefly explain why (for example, "Not applicable; no positions in this category exist.")**

**Category 9) Roles and positions not represented above and filled by Presidential Appointment with Senate Confirmation (PAS positions).** This category is a catch all for any position that was filled by Presidential Appointment with Senate Confirmation (PAS) but not represented in any of the other categories. For most agencies the PAS positions will already be captured in categories 1 through 8, and no other PAS positions will need to be identified. **\*If no positions are identified, please briefly explain why (for example, "Not applicable; no positions in this category exist.")**

This category is for those roles and positions that are appropriate for permanent retention, but not captured in the other nine (9) categories. **\*If no positions are identified, briefly explain why (for example, "Not applicable; no positions in this category exist.")**
