

INACTIVE - ALL ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: N2-071-93-001

This schedule provided disposal authority for records previously accessioned into the holdings of the National Archives.

Per NARA Directive 1540 – *Reappraisal and Deaccessioning of Archival Federal Records*:

An internal disposal is the permanent removal of a discrete set of an accessioned series of records from NARA's physical and legal custody, from any number of physical locations (up to and including all physical locations), because they have been reappraised as temporary, without affecting the existing disposition authority for any remaining records. This removal can result in the records being destroyed, permanently returned to an agency, or donated to another organization.

It is assumed that the schedule was implemented after the record scheduling process was completed (concurrence by the agency, notice to the public via the Federal Register, and approval by the Archivist of the United States).
