7. ITEM NO.	8. DESCRIPTION OF ITEM (With Inclusive Dates or Retention Periods)	9. GRS OR SUPERSEDED JOB CITATION	10. ACTION TAKEN (NARS USE ONLY)																																																		
1. (Continued)	<p>(7) The records/tapes have not been and are not to be copied to paper, to microcopy, or to other tapes.</p> <p>(8) The type of tape records and the need for a GSA form 7036 to accompany this SF 115 has been discussed with Don Harrison of the machine-readable records part of NARS in a phone conversation of 18 Jan 1985. He suggested that we cite GRS-20, part I, items 14 and 18 which relates to the disposition of scientific information tapes and he concluded that the 7036 form is not totally applicable since the data on these tapes is analog in form and derived from remote-sensing devices. The data is later converted and entered into ADP equipment at NISC. However, some information on the analog tapes does not go into the ADP gear making retention of the analog tapes essential for cases where re-analysis must be done. The retention period required is a minimum of 15 years. Mr. Harrison also concluded that a physical sample of an analog tape (and its data records) is not necessary for completion of a disposition scheduling. In lieu of the actual tape, some information about the data tracks is listed on a separate page and is attached to the GSA form 7036.</p> <p>----- FOLLOWING ARE THE TAPES TO BE SCHEDULED FOR DISPOSITION: -----</p> <table border="0"> <tr> <td style="vertical-align: top;">Agency box numbers</td> <td style="text-align: center;">---Records/tapes in box---</td> </tr> <tr><td>1</td><td>Subject Reports K1623 - K1749</td></tr> <tr><td>2</td><td>Subject Reports K1735 - K1883</td></tr> <tr><td>3</td><td>Subject Reports K1900 - K2196</td></tr> <tr><td>4</td><td>Subject Reports K2209 - K2471</td></tr> <tr><td>5</td><td>Subject Reports R2607 - H238</td></tr> <tr><td>6</td><td>Subject Reports P/8B4 - NB-34</td></tr> <tr><td>7</td><td>Subject Reports NA048 - N28</td></tr> <tr><td>8</td><td>Subject Reports Test Files N</td></tr> <tr><td>9</td><td>Subject Reports Test Files RK, US</td></tr> <tr><td>10</td><td>Subject Reports Test Files N, RK</td></tr> <tr><td>11</td><td>Subject Reports Test Files N</td></tr> <tr><td>12</td><td>Subject Reports Test Files I</td></tr> <tr><td>13</td><td>Subject Reports Test Files I, H</td></tr> <tr><td>14</td><td>Subject Reports K2275 - K2285</td></tr> <tr><td>15</td><td>Subject Reports K2286 - K2301</td></tr> <tr><td>16</td><td>Subject Reports K2304 - K2320</td></tr> <tr><td>17</td><td>Subject Reports K2321 - K2330</td></tr> <tr><td>18</td><td>Subject Reports K2332 - K2345</td></tr> <tr><td>19</td><td>Subject Reports K2347 - K2354</td></tr> <tr><td>20</td><td>Subject Reports K2355 - K2366</td></tr> <tr><td>21</td><td>Subject Reports K2367 - K2388</td></tr> <tr><td>22</td><td>Subject Reports K2389 - K2400</td></tr> <tr><td>23</td><td>Subject Reports K2401 - K2415</td></tr> <tr><td>24</td><td>Subject Reports K2417 - K2428</td></tr> </table> <p>(FRC accession number: 289-84-005)</p>	Agency box numbers	---Records/tapes in box---	1	Subject Reports K1623 - K1749	2	Subject Reports K1735 - K1883	3	Subject Reports K1900 - K2196	4	Subject Reports K2209 - K2471	5	Subject Reports R2607 - H238	6	Subject Reports P/8B4 - NB-34	7	Subject Reports NA048 - N28	8	Subject Reports Test Files N	9	Subject Reports Test Files RK, US	10	Subject Reports Test Files N, RK	11	Subject Reports Test Files N	12	Subject Reports Test Files I	13	Subject Reports Test Files I, H	14	Subject Reports K2275 - K2285	15	Subject Reports K2286 - K2301	16	Subject Reports K2304 - K2320	17	Subject Reports K2321 - K2330	18	Subject Reports K2332 - K2345	19	Subject Reports K2347 - K2354	20	Subject Reports K2355 - K2366	21	Subject Reports K2367 - K2388	22	Subject Reports K2389 - K2400	23	Subject Reports K2401 - K2415	24	Subject Reports K2417 - K2428	FIRST TIME SCHEDULED
