## Request for Records Disposition Authority

Records Schedule Number      DAA-0594-2014-0001  
Schedule Status                Modified Approved Version

Agency or Establishment      Department of the Navy  
Record Group / Scheduling Group   Records of the Naval Nuclear Propulsion Program  
Records Schedule applies to    Major Subdivision  
Major Subdivision              Naval Sea Systems Command (NAVSEA)  
Minor Subdivision              NAVSEA 08  
Schedule Subject                General Program Correspondence  
Internal agency concurrences will be provided      No

Background Information      Proposed retention expands SSIC 9210.2 to extend the disposition authority most utilized by NAVSEA 08. The temporary extension from 10- to 80-years aligns with the recent NARA approval of SSIC 9210.1, allowing NAVSEA to retain ownership of Permanent records for 80 years, covering the full cradle-to-grave life cycle of nuclear ships, cores, and system parts used over multiple classes of ships. Further, this extended retention time should reduce the records that had been previously identified as Permanent with the option for a long term temporary disposition authority not previously available.
