	<p>BACKGROUND: The Naval Criminal Investigative Service (NCIS) Training Academy is a part of the NCIS Human Resources Directorate and is located in Glynco, GA, as part of the Federal Law Enforcement Training Center (FLETC). In a January 2000 report to the Congress, the Commission on the Advancement of Federal Law Enforcement reiterated and reinforced the need to develop an implement training standards. As a result of the report an independent accreditation process was developed and is entitled the Federal Law Enforcement Training Accreditation (FLETA). FLETA has established a set of standards related to Federal law enforcement training that must be satisfactorily met in order for agency academies to be accredited. Among these standards is one dealing with records management that requires a records schedule approved by the National Archives and Records Administration for program, individual training and staff training records. This schedule documents these as records series and establishes their disposition.</p> <p><i>Jeffrey Sieber</i> Jeffrey Sieber Deputy Assistant Director Training</p> <p><i>Norman F.
