	<p><u>Background:</u> The purpose of this record schedule is to address issues within SSIC 5813, Courts-Martial Trail Records. SSIC 5813, paragraph 1 is currently uncheduled. The proposed schedule assigns a disposition decision for this paragraph. It also rearranges the remaining portions to provide a more logical structure that will provide more clarity for the user. It also provides a disposition for finding aids associated with the General and Special Courts-Martial Records.</p> <p>Currently, there are 14,638 cubic feet of General Court-Martial records stored at the Washington National Records Center. It was recently learned that the National Archives has accessioned all General and Special Courts-Martial from 1799 to 1942. The precedent established by the National Archives is captured in part by the recommendation contained herein. Approval of this schedule will provide resolution to the General and Special Courts-Martial records, fill the gap between 1942 and present, and permit their proper final disposition.</p> <p><i>[Signature]</i> Helena Gilbert Head, Marine Corps Records</p> <p><i>[Signature]</i> Dennis Oppman Deputy Assistant to the JAG for Admin.</p>
