NARA DISPOSITION AUTHORITY:

DESCRIPTION:

These files contain materials documenting the ongoing management of programs, and routine projects within the Department. Records relate to both mission and operational programs maintained by one or more organizational units. Records include, but are not limited to: correspondence; memoranda; internal and external training materials; staff meeting records, such as agendas, background papers, attendance lists, and meeting minutes or summaries; routine office procedures; reports relating to general policy and program matters, oversight reviews, interagency activity, research and other similar materials; and project control files showing assignments, progress, and completion of projects.

This record series EXCLUDES records covered under separate records schedules such as policy statements and directives, contract records, and organizational and program development records.

As these records may be maintained in different media formats, this schedule is written to authorize the disposition of the records in any media (media neutral).
