Records Schedule Items

Sequence Number	
1	<p>Docket Sheets Dockets are related to the development of rules and regulations such as advance notices of proposed rulemakings, proposed rules, comments from stakeholders, final rules, and notices of availability. Other docketed records include those records made available for public review and, often, support fulfillment of the Commission's regulatory responsibilities. Typically these include applications, licenses, petitions, pleadings, orders, interventions, procedural motions, requests for hearings, complaints and responses to complaints, environmental documents, Commission opinions, policy statements, records of communications with outside parties containing relevant information, lists of participants and summary minutes of meetings with external groups, summaries of telephone conversations containing relevant information, public hearing and meeting transcripts, public comments submitted to FERC and responses to public comments documents, and supporting materials.</p>
