7 ENERGY MARKET OVERSIGHT INTERNAL REPORTS AND INFORMATIONAL PRODUCTS

Records include a variety of periodic reports on the state of energy markets, activities, trends, and conditions. Information is collected from commercially available data sources and FERC analysts incorporate internal insight and observations to generate informational materials and resources. The reports contain analyses, presentations, and conclusions that are based on or derived from the data sources, but do not necessarily reflect the positions or recommendations of the data providers, Commission staff, or any individual Commissioner.

TEMPORARY, Destroy when 7 years old
