Records Schedule Number DAA-0434-2015-0006

Schedule Status Modified Approved Version

Agency or Establishment National Nuclear Security Administration

Record Group / Scheduling Group General Records of the Department of Energy

Records Schedule applies to Major Subdivision

Major Subdivision Naval Nuclear Propulsion Program (NNPP)

Schedule Subject Mission-related Records

Internal agency concurrences will be provided Yes

Background Information Records listed in the Mission schedule document and support the mission for which the NNPP was created, which is to provide militarily effective nuclear propulsion plants to the United States Navy; ensure their safe, reliable, and long-lived operation; and responsibly decommission the plants and dispose of the spent fuel. Mission-related records document the design, manufacture, use, servicing, quality assurance, and final disposition of NNPP products. The records consist of, but are not limited to, correspondence, raw data, checklists, work documents, maps and drawings, audio and video recordings, test analyses, formal reports, and technical manuals.
