

Request for Records Disposition Authority

Records Schedule Number DAA-0434-2016-0004
Schedule Status Approved

Agency or Establishment Department of Energy
Record Group / Scheduling Group General Records of the Department of Energy
Records Schedule applies to Department-wide
Schedule Subject Modified Security Screening Process (MSSP)
Internal agency concurrences will be provided No

Background Information The Modified Security Screening Process (MSSP) provides an alternative for screening DOE employees – Federal and contractor – who have approved implanted medical devices that may otherwise alarm during the standard DOE security screening process. The modified process avoids harm to approved employees who might otherwise be harmed during the standard security screening. MSSP records are maintained for DOE employees who are approved for the modified security screening.
