3. Electronic Records.

Electronic copies of records that are created on electronic mail and work processing systems and used solely to generate a record keeping copy of the records covered by the other items in this schedule. Also includes electronic copies of records created on electronic mail and word processing systems that are maintained for updating, revision, or dissemination.

- a) Copies that have no further administrative value after the record keeping copy is made. Includes copies maintained by individuals in personal files, personal electronic mail directories, or other personal directories on hard disk or network drives, and copies on shared network drives that are used only to produce the record keeping copy.

Destroy/delete within 180 days after the record keeping copy has been produced.

- b) Copies used for dissemination, revision, or updating that are maintained in addition to the record keeping copy.

Destroy/delete when dissemination, revision, or updating is completed.
