	The attached disposition schedule covers records documenting Naval Petroleum Reserve Number 3 (located in Natrona County, Wyoming) and Number 4 (located in the northern section of Alaska). These records were originally maintained by the U.S. Navy, but were transferred to the Department of Energy soon after its creation. (TOTAL OF 5 ITEMS)		

1 **Motion Pictures.** These films are 16mm color projection prints. Present is a five-part series produced in 1948 by Navy Arctic Operations and pertaining directly to work at NPR-4. The parts are titled "Introduction to the Arctic", "Exploring for Oil", "Logistics", "Equipment", and "Construction" (multiple copies of each part are present). Also included is a single reel labeled "Barrow Gas Line", ca. 1970. Total volume: 18 reels.

Disposition: Permanent. Transfer to the National Archives immediately.

2 **Publications.** Covered are 12 United States Geological Survey publications relating to NPR-4. The publications date from 1921 to 1959 and include a history of NPR-4 (covering 1944-53); reconnaissance and geologic reports; well-drilling studies; and summary reports concerning petroleum in Alaska. Also present is a 1977 Navy history of NPR-4. Volume: <1 foot.

Disposition: Permanent. Transfer to the National Archives immediately.

3 **Photographic Slides.** Slides consist of approximately 600 35 mm color images dating from ca. 1969-1974. Separate index listings are included. Subjects include various landscape and seascape views of NPR-4; Pt. Barrow camp; drilling sites and equipment; gas production facilities; and Native Alaskan villages and culture. Present as well are 26 2" x 3" glass lantern slides (no date) relating to NPR-1, 3, and 4. Images consist of line drawings, graphs, and numerical data relating to oil field geology and production.

Disposition: Permanent. Transfer to the National Archives immediately.

4 **Photographic Prints and Negatives.** Prints consist of 1) approximately 100 3" x 5" black and white images, ca. 1946; 2) approximately 150 8" x 10" black and white images, ca. 1947-1950; and 3) approximately 100 3" x 5" color images, 1976. Negatives consist of approximately 175 3" x 5" (a few 35 mm are present) black and white images in captioned paper sleeves, 1945. All images depict NPR-4 and environs.

Disposition: Permanent. Transfer to the National Archives immediately.

5 **Teapot Dome Maps and Drawings.** These items consist of approximately 50 oversize documents relating to Naval Petroleum Reserve Number 3 (also known as Teapot Dome), located in Natrona County, Wyoming. Present are topographic and well site maps; drawings depicting well production and various technical information are also included. The items date from ca. 1922 to ca. 1938.

Disposition: Permanent. Transfer to the National Archives immediately.
