DESCRIPTION OF RECORDS

RECOMMENDED DISPOSITION

SAFE WORK PERMITS are used to designate the approval for employees to work on a potentially hazardous job or in a potentially hazardous area. They contain the job description, instructions to workers, the protective clothing and equipment required. They include the names of the workers, approval signatures of responsible supervision, and the date(s) the work is done.

Destroy 75 years after the date of the permit.

Rationale. See attached correspondence. 75 years reflects the same retention as personnel and training records, with which these records need to be compatible. This request has been coordinated with Departmental elements, all of whom concurred.
