ADMINISTRATIVE RECORDS SCHEDULE 9:
TRAVEL AND TRANSPORTATION RECORDS

This schedule covers records documenting the movement of goods and persons under Government orders. The records include bills of lading, transportation requests, transportation vouchers, per diem vouchers, travel authorizations, and all supporting documentation, including those prescribed by Title 5 of the General Accounting Office Policy and Procedures Manual. Record copies of all travel, transportation, and freight documents used to support payments become components of the accountable officers' accounts. Disposition for commercial transportation and freight site audit records is covered by item 1 of this schedule. Individual, noncommercial, reimbursable travel site audit records are covered by Administrative Records Schedule (ADM) 6, item 1a, item 10, or item 11. Some copies become accounting posting media which are covered by ADM 7, item 4.

a. Movement of goods. The key record is the bill of lading, of which there are copies for consignors, consignees, and the carriers themselves. The documents related to and normally filed with the bill of lading are varied and often voluminous. These may consist of shortage and demurrage reports, invoices, and other data which document the transaction. Included are records relating to the shipment of household effects, authorized by law and regulations for civilian employees of the Government. If shipping certain valuables covered by the Government Losses in Shipment Act, which insures against loss, retain copies of schedules of material shipped, documents relating to claims which may ensue, and other pertinent records.

b. Movement of persons. The movement of persons is documented by copies of travel orders, authorizing travel and subsequent payment, and standard form vouchers showing payment for official travel. The two primary copies of travel orders are the administrative copy maintained by the transportation unit controlling the authorization of travel and the copy used for encumbrance of funds. Vouchers documenting cash advances for travel purposes are covered by ADM 6, item 1a, only after the advance has been properly liquidated and can be included in a settled fiscal account. Unliquidated cash advances for travel purposes are covered by ADM Records Schedule 6, item 10.

All records described in this schedule are authorized for disposal in both hard copy and electronic formats.

Retirement of non-current records to inactive storage is authorized.

per e-mail / John Davenport 3/3/99.
