**ITEM 1**

Oil General and Subsidiary ledgers maintained by the Strategic Petroleum Reserve Project Management Office and consisting of records reflecting the summary of all oil inventory transactions as of the end of the month. Records document the types (sweet and sour), locations of the various Strategic Petroleum Reserve Inventories, and a summary by source (country) and generic type of crude. Ledgers are the source for monthly and end-of-year inventory reports.

Destroy 6 years and 3 months after inventory reflected in ledgers is disposed of.

**ITEM 2**

Oil Inventory Accounting records maintained by the Strategic Petroleum Reserve Project Management Office and consisting of inventory transaction documents such as daily journals and periodic reports that provide an audit trail for all Strategic Petroleum Reserve crude oil. Records document receipt, movement, ultimate location of oil, and type of oil.

Destroy when records are 4 years old.

Cut off files every two years and send to FRC.

Destroy when four years old.
