Records Schedule applies to       Agency-wide  
Schedule Subject                   Oncology Care Model Registry (OCMR)  
Internal agency concurrences will be provided   No

Background Information           The Oncology Care Model Data Registry (OCMR) is a specialized registry based on CeCity's Avedis registry platform. It supports the Oncology Care payment model and is designed to test the effect of better care coordination. The OCMR is designed as a web based single page application with the goal of providing a rich and responsive user experience. This allows the application to be accessed from anywhere the Innovation Center can be accessed from with minimal user resources required. The system is tested to work with several major browsers running javascript on a modern computer operation system with section 508 adaptive services enabled. Mobile systems are not supports.
