Rulemaking Record for Regulations

Information and records that support the rulemaking process for establishing regulations for the health care programs of CMS. Includes all data and records collected and maintained by the recordkeeping office.

1. The official Rulemaking record consists of the published proposed rule, all public comments received in response to the proposed rule or notice that the agency considered in developing the final policy, the public comment log prepared by the recordkeeping office, any computer runs, internal/external studies, final actuarial determinations, and all data that supported the policy, data that refuted the policy and data that would support alternative options.

~~a. **Substantial Rulemaking Records.** Original record (paper or electronic). Consists of cases that generate substantial public interest, media, or legal precedent and any proposed or final regulation or notice that is signed by the Secretary of Health and Human Services. Examples are those involving the Prescription Drug Program, payment rules, and other agency policy.~~

DISPOSITION: **PERMANENT.** Cutoff after publication of final notice or rule and transfer to the Federal Records Center (if paper) or transfer physical custody to NARA through preaccessioning process (see NARA Bulletin 2004-02) at end of year in which the final notice or rule is published. Transfer physical (if paper) and legal custody (paper and electronic) to the National Archives 30 years after cut off in accordance with National Archives and Records Administration's regulations at 36 CFR 1228.270 with any associated finding aids. - supersedes N1-440-95-1 Item 1a

~~b. **Non-Substantial Rulemaking Records.** All other cases that have not met the threshold for Item 1.a. Example of non-substantial are those that are CMS-only notices that are delegated to the Administrator for signature, including meeting notices that announce a meeting between CMS staff and outside groups; deeming notices that inform providers of their accreditation status, and demonstration notices that solicit applications from providers for participation in specific CMS programs.~~

~~3. **Web postings on CMS or Food and Drug Administration (FDA) Rulemaking Website.** Records consist of public comments received in the AIMS System (operated by FDA) and then posted on the CMS website. (CMS downloads comments in .pdf format and places in appropriate file).~~

DISPOSITION: **Temporary.** Delete posted comments from website (CMS and FDA) 5 years after year in which posted.

4. ~~Late Comments File consists of comments submitted by the public that were received in CMS after the close of the comment period and were not considered in the development of the final policy.~~

~~DISPOSITION: Temporary. Destroy/delete 30 days after final notice or rule is published.~~

5. Electronic Mail and Word Processing System Copies

a. Copies that have no further administrative value after the recordkeeping copy is made. Includes copies maintained by individuals in personal files, personal electronic mail directories, or other personal directories on hard disk or network drives, and copies on shared network drives that are used only to produce the recordkeeping copy.

DISPOSITION: Temporary. Delete when 180 days after the recordkeeping copy has been produced.

b. Copies used for dissemination, revision, or updating that are maintained in addition to the recordkeeping copy.

DISPOSITION: Temporary. Delete when dissemination, revision or updating is completed.
