1.	<p><u>Unscheduled First Coast Guard District Records at Boston FRC</u></p> <p><u>Boundary Line Maps, ca.1911-50, 6 in.</u></p> <p>Maps documenting the separation between rivers and harbors on the one hand and bays and sounds on the other. The lines demarcate areas to be controlled by the state from those controlled by the Federal Government. These areas have been changed over the years, and the records document the changes that have occurred. There is relatively high public interest in these records, since control of the waterways implies responsibilities. The maps all pertain to New England harbors.</p> <p><u>Permanent.</u> offer ^{Transfer} to NARA immediately upon approval of this schedule.</p> <p>(026-54C0037, bx.2, A27137)</p>
