2. Electronic Mail and Word Processing System Copies. Electronic copies of records that are created on electronic mail and word processing systems and used solely to generate a record keeping copy of the records covered by the items in this schedule. Also includes electronic copies of records created on electronic mail and word processing systems that are maintained for updating, revision, or dissemination.

(a) Copies that have no further administrative value after the recordkeeping copy is made. Includes copies maintained by individuals in personal files, personal electronic mail directories, or other personal directories on hard disk or network drives, and copies on shared network drives that are used only to produce the recordkeeping copy.

<u>Disposition</u>: Delete/destroy within 180 days after the recordkeeping copy has been produced.

(b) Copies used for dissemination, revision, or updating that are maintained in addition to the recordkeeping copy.

<u>Disposition</u>: Delete when dissemination, revision, or updating is complete.
