	Change FEMA Manual 5400.2 to include a file category defining all FEMA records related to the attacks made on the United States on 9/11/01 as PERMANENT records  <i>Robert S. Brock</i> Robert S. Brock General Counsel Office of General Counsel  <i>4/27/04</i> (date)		

*Initial Submission*

DAP-1-3

Files documenting the disaster response related to the attacks made on the United States on September 11, 2001, at the World Trade Center in New York City, New York, and at the Pentagon in Washington, DC, including the material related to the response operations at the airplane crash site in Pennsylvania. These records include but are not limited to items for immediate response with regards to National Disaster Medical System response; Urban Search and Rescue response; public assistance files to include project applications, original damage survey reports, mission assignments, funding documents, project time extensions, applicant appeals, eligibility determinations, documents on insurance requirements, floodplain management, hazard mitigation, policies and procedures, and related records; and individual assistance (IA) services to include such items as mission assignments and correspondence with State and local officials. IA programs also include, but are not limited to, the Disaster Unemployment Assistance Program, Crisis Counseling Assistance and Training Program, legal services for low-income disaster victims (through the Young Lawyers Division of the American Bar Association), provided during response to these attacks. This category does **not** include administrative files such as timekeeping for FEMA personnel or travel files of FEMA employees.

All records will be preserved in a format appropriate for transfer to the National Archives on the following schedule:

Hardcopy records: Cutoff when all activity has ceased program operations for the 9/11/01 response for a particular program area. Retire to the FRC 1 year after cutoff. Transfer to the National Archives 20 years after cutoff.

Word Processing records: Delete when recordkeeping copy has been produced.

E-Mail Records: Cutoff when all activity has ceased program operations for the 9/11/01 response for a particular program area. Transfer to the National Archives 1 year after cutoff in an approved format (request guidance from the Records Management Branch). Delete agency copy when no longer needed for reference purposes.

Photography records: Follow guidance listed in record category AVL-4.
