N1-560-03-2, Item 15.

Electronic Mail and Word Processing System Copies Series Descriptions and Dispositions

Copies that have no further administrative value after the recordkeeping copy is made. Includes copies maintained by individuals in personal files, personal electronic mail directories, or other personal directories on hard disk or network drives, and copies on shared network drives that are used only to produce the recordkeeping copy.

DELETE within 180 days after the recordkeeping copy has been produced.

Copies used for dissemination, revision, or updating that are maintained in addition to the recordkeeping copy.

DELETE when dissemination, revision, or updating is complete.

NOTE: Some Administrative Management reports and other records may be worthy of permanent retention if they significantly interpret TSA regulations, reflect significant developments, or attract extensive public attention. These should be brought to the attention of NARA via a SF-115, Request for Disposition Authority, so that they can be appraised and appropriate disposition authorized. The appraisal process of these records will include a determination of the appropriate medium for transfer of any records determined to be permanent.
