<p>2600.0 General Records</p>			
<p>2600.0.1</p>	<p>Unscheduled: Comprised of <u>programmatic records</u>, as defined by the program office's scope and responsibilities, that are maintained by the program office and not otherwise covered by an approved Records Disposition Schedule. Programmatic records are defined as unique records generated or maintained for record or information by a specific program office.</p> <p>NOTE: Typically used when new programs are developed that result in the creation of records not covered elsewhere by an approved disposition authority.</p>	<p>Contact the Office of Information Management Programs to schedule unscheduled records.</p>	<p align="center">DO NOT DESTROY</p> <p align="center"><i>Do not destroy request disposition authority</i></p>
<p>2600.0.2</p>	<p>Scheduled: Comprised of <u>administrative records</u> relating to the internal administration or housekeeping activities of the office rather than the functions for which the office exists. In general, these records relate to the office organization, staffing, procedures, and communications, including facsimile machine logs; the expenditure of funds, including budget records; day to day administration of office personnel including training and travel; supplies and office services and equipment requests and receipts; and the use of office space and utilities. They may also include copies of internal activity and workload reports (including work progress, statistical, and narrative reports prepared in the office and forwarded to higher levels) and other materials that do not serve as unique documentation of the programs of the office.</p> <p>NOTE: Office administrative records described above are records retained by an originating office as its record of initiation of an action, request, or response to requests for information. This item may be applied only to separate administrative records containing such records as copies of documents submitted to the Office of Security Technology.</p>	<p>Destroy when 2 years old.</p>	<p>GRS 23/1</p>
