**Certified Cargo Screening Program (CCSP):** Section 1602 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (PL 110-53)(August 2007) (9/11 Act) requires the development of a system to screen 50 percent of cargo transported on passenger aircraft operating within the United States not later than February 3, 2009, and 100 percent of such cargo not later than August 3, 2010

TSA certifies qualified facilities as Certified Cargo Screening Facilities (CCSF) to screen cargo as part of the CCSP. Certified CCSFs may screen cargo off-airport and must implement measures to ensure a secure chain of custody from the point of screening to the point at which the cargo is tendered to the aircraft operator for transport on passenger aircraft. CCSFs are required to engage TSA to assess whether a person or entity meets the standards of CCSP.

**Item 1. CCSP/CCSF Applications** – Includes forms, correspondence, memoranda, letters and similar documents related to candidate application packages

~~a. **Approved Applications** – Applications that have been approved for certification~~
