Background Information

The Immigrant Investor Program Office (IPO), also known as the Regional Center Program, was created by Congress in 1992 to stimulate the U.S. economy through job creation and capital investment by foreign investors. USCIS administers the IPO and provides a channel for foreign nationals to acquire a legal permanent resident card based on regulations outlined in section 203(b)(5) of the Immigration and Nationality Act (INA). By law, USCIS may grant immigrant visas to EB-5 investors, some of these visas are set aside for those investing in new commercial enterprises (NCE) associated with a regional center. A Regional Center has jurisdiction over a limited geographic area and is defined as any economic entity, public or private, which is involved with the promotion of economic growth, improved regional productivity, job creation, and increased domestic capital investment.

Eligible individuals begin the IPO process when they file Form I-924 in support of a Regional Center. Form I-924 is also used to amend a previously approved Regional Center. If a Regional Center is approved, Form I-924A is filed annually to demonstrate continued eligibility for the Regional Center designation.

Any/All supporting documentation (i.e. benefit application package) is retained for a period of time equaling the form (I-924/I-924A) itself.

This schedule applies to Forms I-924/I-924A and the prior informal requests regardless of media type.

**Exception:**

Records that are linked to national security, law enforcement, fraud or administrative investigations or actions may be retained for a longer timeframe or transferred to a system of records with a longer retention period as appropriate.

Note: Form I-924A when APPROVED, DENIED, ADMINISTRATIVELY CLOSED, or WITHDRAWN is consolidated into the corresponding regional center file (I-924).
