APPLICATION FOR CARD OF IDENTIFICATION

The Application for Card of Identification was used by native or naturalized citizens of the United States in crossing the border between the United States and Mexico. The application was identified as:

- Budget Bureau No. 47-R-039 and later as
- Budget Bureau No. 47-R-039.2 / FORM DSP 52.

The "Application for Card of Identification" resulted in the possible creation of a "Card of Identification for Use on the Mexican Border" also referred to as the FS-225-B. The FS-225-B was issued between 1943 and the end of 1961 for the purpose of crossing the border from Mexico.

This schedule only applies to the "Application for Card of Identification" regardless of form number and does NOT apply to the actual "Card of Identification".

Exception:

Records that are linked to national security, law enforcement, fraud, administrative investigations or actions, congressional inquiries or similar matters may be extended beyond the applicable retention period in five-year increments.
