Background Information

U.S. Citizenship and Immigration Services (USCIS) is the government agency that oversees lawful immigration to the United States. USCIS processes applications, petitions, and requests pursuant to the Immigration and Nationality Act (INA) and issues documentation to applicants, petitioners, and requestors to reflect their immigration status and eligibility to travel, work, and live in the United States, as well as their status as derivative or naturalized United States citizens.

Form I-102 is used to request a new or replacement of an incorrect, lost, stolen, or mutilated Nonimmigrant Arrival-Departure Document.

This schedule applies to applications, petitions, and requests regardless of original submission method (including applications, petitions, and requests that are adjudicated via USCIS electronic systems regardless of original submission method).

This schedule may include future forms (of similar use) or form name modifications, unless noted on future forms.

This schedule is date forward from approval from the Archivist of the United States. This schedule does not apply to forms and their supporting documentation already placed in Alien Files (A-Files).

Note: All documentation submitted or created in support of a USCIS application, petition, or request is maintained in accordance with USCIS policy and NARA approved retention schedules after being scanned into USCIS electronic systems. Forms and submitted documents are subject to immediate destruction upon receipt.

Submitted documentation may include, but is not limited:

- Supporting Documentation
- Evidence
- Unrequested Documentation

Specific Restrictions: Personally identifiable information. All records are protected from unauthorized access through appropriate administrative, physical, and technical safeguards. The safeguards include designating user roles and restricting access to those with a need-to-know to perform their official duties.

Exception: Records that are linked to national security, law enforcement, fraud, administrative investigations or actions, congressional inquiries or similar matters may be extended beyond the applicable retention period in five-year increments.

This schedule supports the USCIS initiative to move from paper to electronic records in compliance with the media neutral guidance found in 36 CFR § 1225.24 and the E-Government Act of 2002.

This schedule also complies with GRS 5.2, Item 20 (for previously scheduled records).
