Background Information A Certificate of Non-Existence (CNE) is an official agency statement regarding the contents of USCIS records. It certifies that no record exists on a particular individual, decision or action based on the identifying information or criteria provided by the requester or encountered as a result of USCIS electronic and physical searches.

The authority to provide a Certificate of Non-Existence of USCIS records is outlined in 8 CFR 103.7(f).

USCIS records are not duplicated in CNEs.

CNEs may include the original request and any documentation prepared by USCIS.

CNEs may exist in physical or electronic formats.

Note: Records that are linked to national security, law enforcement, fraud, litigation holds, administrative investigations or actions, congressional inquiries or similar matters may be extended beyond the applicable retention period in five-year increments.

This schedule supports:
The USCIS initiative to move from paper to electronic records in compliance with the media neutral guidance found in 36 CFR § 1225.24 and the E-Government Act of 2002.
