Internal agency concurrences will be provided No

Background Information

Use this form to request posthumous citizenship for an alien or non-citizen national whose death resulted from injury or disease incurred on active duty with the U.S. armed services during specified periods of military hostilities. Posthumous citizenship is an honorary status commemorating the bravery and sacrifices of these persons; it does not convey any benefits under the Immigration and Nationality Act to any relative of the decedent.

An approval only establishes that USCIS considers the decedent to be a citizen of the United States as of the date of their death, and is invalid for all other purposes.
