LOW-INCOME PUBLIC HOUSING AND RENTAL ASSISTANCE RECORDS

**System Name: PIH Information System (PIC) – Form 50058**

**System Code: P113**

**Description:** The MTCS no longer exists. Its functionality has been incorporated into the PIH Information System (PIC) Form 50058 module. It is the central repository for data households assisted by Section 8 (Moderate Rehabilitation Program, Rental Certificate and Voucher Programs), Public Housing and Native American Housing programs managed by the Office of Public and Indian Housing (PIH). This data is used to monitor compliance with a wide variety of statutory and regulatory requirements set forth by PIH and the Office of Fair Housing and Equal Opportunity. In addition, the Office of Policy Development and Research uses 50058 data to develop policies and to monitor HUD assisted housing programs. PIC Form 50058 is the only source of detailed tenant data which identifies families covered by assisted housing programs. As such, this data is under the Privacy Act system of records (agency number HUD/H-11, Form 50058). This system is not used for financial transactions.
