BACKGROUND MATERIALS FOR
HISTORY OF COMPREHENSIVE PLANNING ASSISTANCE
701 PROGRAM

The Comprehensive Planning Assistance (701) Program was authorized through Section 701 of the Housing Act of 1954 (PL 83- 560) and rescinded through Section 313 (b) of the Omnibus Budget Reconciliation Act of 1981 (PL 97-35). The Program, through its 27 year history, played a major part in the establishment of planning as a governmental function in the United States, first at the local level and then the state, metropolitan and non-metropolitan levels. A multitude of subject areas were covered through the comprehensive planning process, including many of the controversial issues of the time.

The accompanying materials will be of interest to students of planning and to Federal officials who establish planning programs. ~~The records are therefor to be considered PERMANENT RECORDS.~~ *By Dwin 4/14/82*
