RECORDS DISPOSITION SCHEDULE 35

LOW INCOME PUBLIC HOUSING AND RENTAL ASSISTANCE: PROGRAM RECORDS

SYSTEM NAME: Community Development Block Grant (CDBG) Indian Program System

SYSTEM CODE: C01

DESCRIPTION: The CDBG Indian Program System (C01 System) is a microcomputer system which functions as an applicant selection and program analysis device for Indian CDBG program funds, on a fiscal year basis. During applicant selection, Office of Native American Program staff members use the C01 System to score data input from applications submitted in competition for Indian CDBG program funds. This applicant selection process is explained in the Notice of Fund Availability (NOFA), published annually in the Federal Register. After applicants have been selected to receive Indian CDBG funding, C01 System data input are transferred to Public and Indian Housing (PIH) in HUD Headquarters for program analyses. The C01 System is not used for financial transactions.
