Instructions for Regional Records Management Liaison Officers.

During calendar year 1976, Records Management Liaison Officers shall assist appropriate regional, area, and insuring office officials in selecting of sample projects for offer to National Archives. All regional offices (except Region III) shall forward a list of the selected projects to the Headquarters Paperwork Management Branch by December 31, 1976. Do not forward any records to Headquarters until they are requested. In 1980, Headquarters will provide instructions for forwarding files. This will allow Headquarters to assemble all sample files in one group for offer to National Archives.
