<td>This requests a change in the presently approved item 15, 16 and 18 of this schedule to increase the retention period from three to six years after the year of sales closing, or upon conclusion of any or all disputes, whichever is later. Pursuant to Federal law civil actions can be commenced against the United States up to six years after the right of action first accrues. 28 U.S.C. s2401 (a) copy enclosed. The above addition of three years will adequately protect the Department in future legal matters. This change will also correct an omission to show the difference in retention periods of records of properties sold with and without FHA mortgage insurance.</td>
