	<p>2. To provide disposition instructions in items 61, 64, and 65 for the record copies kept by the Office of Finance and Accounting as well as the nonrecord copies used by Housing as working copies.</p> <p>3. To revise the disposition instructions for items 60a, 62, 63, and 64 so that they are based on when the Actual Modernization Cost Certificate is approved, instead of issued. The word "approved" is more precise. The Certificate is subject to audit from the time it's submitted by the public housing agency until it's approved by HUD, up to two years later.</p> <p>4. To revise the descriptions of the records covered by items 63 and 65 to distinguish between interim budget revisions (item 63) and the final budget (item 65).</p> <p>5. To delete item 66 covering all other Modernization documents. Item 66 is unnecessary since items 60 through 65 cover all Modernization records.</p>
