2	<p>Uplifter</p> <p>Disposition Authority Number DAA-0060-2013-0006-0002</p> <p>The Uplifter is a web-based tool that allows a user to "uplift" a file or files from the "low" unclassified network to the "high" or classified network. The documents are not considered classified until they have passed through a multi-step process. During the first step of the process a user specifies what file(s) should be "Uplifted" and who the file should be sent to on the high side. During the second step, the file(s) is placed temporarily on the DOJ staging server. Finally, the third step of the "Uplift" process transfers the file to a Federal Bureau of Investigation (FBI) staging server that will move the file(s) through the rest of the process. There is no copy maintained of the file(s) on the DOJ staging server and the file is not accessible by</p>

users while it awaits transfer. This utility is available to DOJ staff and contractors for any official government purpose.
