Records are chronological (with partial exceptions), seven – nine cubic feet, span dates 1970-2001. Earliest files are copies of brief (one-page) memoranda to the predecessor office regarding arrests, indictments, verdicts, judgment reversals, sentencing and similar activities involving organized crime and racketeering suspects. Files are fairly consistent through the 1970's, and for the last 10 years of the series, except that many of the memos are considerably longer and more detailed. The records from the early 1980's to 1991, however, are partially broken down by office. There are several folders devoted solely to the Brooklyn Task Force for approximately 1978-79 and 1981-87; two folders for 'Kansas City,' 1980-89, which actually cover the districts of Western Missouri, Kansas and Colorado; and a number of files whose contents are segregated by major offices, such as Miami, Newark, New Orleans, Philadelphia, and San Francisco. Some files include tracking and analytical documents, and there are also a few instances of correspondence with senior-level officials.</p> <p>Final Disposition                      <b>Permanent</b></p> <p>Item Status                                <b>Active</b></p> <p>Is this item media neutral?            <b>Yes</b></p> <p>Do any of the records covered by this item currently exist in electronic format(s) other than e-mail and word processing?          <b>No</b></p> <p><b>Disposition Instruction</b></p> <p>Transfer to the National Archives for Accessioning      <b>Transfer to the National Archives when most recent record is 15 years old.</b></p> <p><b>Additional Information</b></p> <p>First year of records accumulation    <b>1970</b></p> <p>End year of records accumulation      <b>2001</b></p> <p>What will be the date span of the initial transfer of records to the National Archives?                      <b>From 1970 To 2001</b></p>
