Subject N1-60-04-3

The Department of Justice submits job number N1-60-04-3 to request disposition authority for Department Contact Records. These records are created and maintained by the Justice Management Division so that, when necessary for official reasons, the Department is able to contact former employees and officials. The information collected is basic contact information: names, addresses, and telephone numbers.

These records are for internal reference purposes only and do not impact the rights of American citizens, the U.S. government, and are not necessary for ensuring the accountability of U.S. government officials. The information does not have any archival value.

The schedule is written so that the Department can maintain the records in either paper or electronic format.

The proposed disposition is to "destroy or delete contact records when no longer needed for official purposes." I concur with the proposed disposition and I recommend approval of this schedule.
