

NOTICE - SOME ITEMS SUPERSEDED OR OBSOLETE

Schedule Number: N1-060-09-054

Some items in this schedule are either obsolete or have been superseded by new NARA approved records schedules. This information is accurate as of: 11/01/2020

ACTIVE ITEMS

These items, unless subsequently superseded, may be used by the agency to disposition records. It is the responsibility of the user to verify the items are still active.

Item 1 remains active.

SUPERSEDED AND OBSOLETE ITEMS

The remaining items on this schedule may no longer be used to disposition records. They are superseded, obsolete, filing instructions, non-records, or were lined off and not approved at the time of scheduling. References to more recent schedules are provided below as a courtesy. Some items listed here may have been previously annotated on the schedule itself.

Items 2a-c are superseded by GRS 3.1, item 020 (DAA-GRS-2013-0005-0004).

Description of Content on ATRnet :

1 Content

Content is published in a variety of formats, including html-coded pages, PDFs, word-processing documents, and templates. Content owners are responsible for the accuracy, currency and functioning of their site content. Content is a duplicate of the original information maintained by the appropriate ATR staff.

Content is removed from the website when superseded, obsolete or no longer needed. This includes the following:

- Civil Litigation practice information
- Division Manual (Administrative policy information)
- Section/office and administrative resource information
- Antitrust-related intellectual property resources
- Appellate matters and decisions of interest to the Antitrust Division
- Division administrative announcements

Disposition Delete/destroy 3 years after superseded, obsolete or no longer needed for agency business

2 Web Management Records

- a Web Management Records provide context and structure of the content, design records, and policies which describe the process by which information is added, changed and/or deleted from the site.

Disposition Delete/destroy 2 years after superseded, obsolete or no longer needed for agency business

- b Traffic Logs gather information about the use of the website by its visitors. Traffic logs do not directly reveal personally identifiable information (PII) about individual visitors, but may provide a User ID or IP address that could be traced to a person through other systems. This information is captured continuously.

Disposition Destroy/delete after 2 years

- c Server Configuration Files provide a description and history of changes made on the various servers related to the operation of the website, including web servers and search servers. These records are created for potential site restoration in the event of a failure of other requirements to restore the site.

Disposition Delete/destroy within 2 years after superseded, obsolete or no longer needed for agency business
