10 ACTION TAKEN

1. Description of content and arrangement of records. The OPR creates and maintains a file for each alleged incident of misconduct on the part of a Department of Justice employee. Case files include the original complaint or report and any reports developed or collected during the course of the OPR's investigation. A record is also made as to the disposition of the matter (i.e. referred to another investigative component, or determined to be unsubstantiated or meritless).

These files are arranged in chronological order according to the date the investigation was initiated.
