76-12

The Assistant Attorney General, OLIGA, is responsible for (a.) maintaining liaison between the Department and the Congress, (b.) reviewing, coordinating and submitting departmental legislative reports and (c.) coordinating the preparation and submission of proposed departmental legislation. OLIGA works with a network of legislative liaison personnel in the offices, boards, divisions and bureaus of the Department. In support of these functions, the OLIGA maintains a comprehensive body of records documenting its activities. In the past, these files have been largely duplicative of those maintained by other components in the Department, e.g. the DJ file classification system's "01" series. However, since the beginning of the 96th Congress in January 1977, the OLIGA files have constituted the most complete body of records on the Department's legislative history.

1. Legislative History Files. These consist of copies of bills, reports and comments which set forth the Department's position. They
