|--------------|--|--------------------------|---------------------|
| 1. | Computer transaction log tapes which contain records of every National Crime Information Center (NCIC) and NCIC Computerized Criminal History (CCH) transaction. Approximately 2,800 of the former and 500 of the latter have accumulated since their respective inceptions in January, 1967, and November, 1971. In addition to the storage problems and the cost involved in purchasing replacement tapes, it has been determined that the proposed retention period is adequate for current and future Bureau needs. (General Records Schedule #20, Part III, Master Files, Item 1, "Housekeeping System Master Files," permits disposal in accordance with instructions applicable to other files documenting the same process, transaction, or case. Retention of NCIC records varies from 90 days to indefinite period, therefore, GRS #20 cannot be applied to disposal of transaction tapes.) NCIC Record System, Justice/FBI-001 (attached), contains further clarification under "Safeguards"; Item 1e, page 53378. Dispose after 6 years or when administrative needs have been met, whichever is later. | | <i>1 item</i> |
