1-38	U.S. Department of Labor Office of the Secretary (OSEC) Women's Bureau  See Attached Descriptive List		

US Department of Labor (DOL)  
Office of the Secretary (OS)  
Women's Bureau (WB)

**Background**

Mission: The Women's Bureau was established by law in 1920, to develop standards and policies which improve working conditions, advance employment opportunities and promote the welfare of wage-earning women.

**Functions**

- Serves as a champion for the interests of working women.
- Aggressively researches working women's issues.
- Pioneers innovative programs to address working conditions for women.
- Works to achieve more skills training, wider job opportunities, better pay and better working conditions for women in the workforce.
- Plays an instrumental role in the passage of regulations, laws and statutes that impact wage-earning women.
- Assists with programs that help women to balance work and family life.
- Develops projects, utilizing the latest technology and professionals as mentors, to assist young women to explore careers in science, engineering, and technology.
- Facilitates learning about careers in nursing for young women and men.
- Enables Generation X and Y women to receive financial education online and in classroom settings.
- Assists women with young children to develop new skills utilizing the internet.
- Assists business owners to develop policies to provide workplace flexibility to their employees.
- Assists in developing new horizons for young women in the field of nanotechnology.
