Agency or Establishment Bureau of Labor Statistics  
Record Group / Scheduling Group Records of the Bureau of Labor Statistics  
Records Schedule applies to Agency-wide  
Schedule Subject BLS Economic Working Papers  
Internal agency concurrences will be provided No

Background Information

Records consist of a compilation of BLS program office working papers on a variety of topics relevant to the mission of the Bureau. Subjects include , but are not limited to, the following: employment, unemployment, prices and living conditions, productivity and technology, compensation and working conditions, benefits and labor markets, as well as statistical and behavioral science issues. The papers, circulated internally as well as published in outside professional journals, provide information to BLS staff and other professionals interested in the work of the Bureau.

The records covered in this series date from 1971 to 2012 and are numbered sequentially (WP-1 through WP-458). The majority of these working papers can be found on the BLS Public Website ([http://www.bls.gov/osmr/workpapers\\_catalog.htm](http://www.bls.gov/osmr/workpapers_catalog.htm)).

The website provides an abstract summary and a link to the full version in PDF format. Copies of unpublished working papers that are currently available can be obtained from the designated program office. Reprints may be available for published papers. As of February 2013 this series will fall under the BLS Statistical Program Bucket Schedule.
