Background Information	<p>The Energy Employees Occupational Illness Compensation Program (EEOICP) began on July 31, 2001 with the Department of Labor's implementation of Part B; Part E implementation began on October 28, 2004. The mission of the program is to provide lump-sum compensation and health benefits to eligible Department of Energy nuclear weapons workers (including employees, former employees, contractors and subcontractors) and lump-sum compensation to certain survivors if the worker is deceased. When you apply for either Part B and/or Part E we will collect medical, employment, and other information from you and make a decision about whether or not you qualify for compensation and benefits.</p> <p>The mission of the Energy Employees Occupational Illness Compensation Program is to deliver benefits to eligible employees and former employees of the Department of Energy, its contractors and subcontractors or to certain survivors of such individuals, as provided in the Energy Employees Occupational Illness Compensation Program Act. The mission also includes delivering benefits to certain beneficiaries of Section five of the Radiation Exposure Compensation Act.</p> <p>This records schedule revises previously approved items to media neutral and modifies descriptions in previous schedules. EEOIC is responsible for maintaining these records throughout their lifecycle while under the responsibility of EEOIC. This records schedule applies to all organizational elements of EEOIC.
